

Revision: HCFA-PM-92-2 (HSQB)  
MARCH 1992

State: MINNESOTA

Citation      4.41      Resident Assessment for Nursing Facilities

Sections                      (a)      The State specifies the instrument to be  
1919(b)(3)                      used by nursing facilities for conducting a  
and 1919(e)(5)                      comprehensive, accurate, standardized,  
of the Act;                      reproducible assessment of each resident's  
42 CFR §483.315(a)                      functional capacity as required in  
   §1919(b)(3)(A) of the Act.

§1919(e)(5)(A)                      (b)      The State is using:  
of the Act and                        x        the resident assessment instrument  
42 CFR §483.315(b)(1)                      designated by the Health Care  
   Financing Administration, and issued  
   (and updated) by HCFA in the State  
   Operations Manual (HCFA Pub. 7)  
   [§1919(e)(5)(A)]; or

§1919(e)(5)(B)                                  a resident assessment instrument that  
of the Act and                      the Secretary has approved as being  
42 CFR §483.315(b)(2)                      consistent with the minimum data set  
   of core elements, common definitions,  
   and utilization guidelines as  
   specified by the Secretary (see  
   Section 4470 of the State Medicaid  
   Manual for the Secretary's approval  
   criteria) [§1919(e)(5)(B)].
